Interference Archive update:

Kelly- **needs to update program text for AMIA**

Dan visited archive last Tuesday

- miscellaneous av material, unidentified material may be original
- Think we can provide an inventory of av material
- Convince them to create a single viewing station?

Goals:

- **Propose project**
- **Set up a cataloging day**
- Write mini-report advocating for usefulness of their current av holdings

TWN update:

- MIAP internship for next semester
- Independent Study for Kelly
- **Proposed site visit Nov 10th- Kelly will email**

[see Yvonne's meeting notes for further detail of TWN's collection]

What they would like:

- A consolidated database
- To identify parts of their collection they can get preservation funding for- provide access, and move to proper storage
- A plan for the collection as a whole

Copyright issues-

- See Rick's email
- Collective that has copyrighted movie, who can say what can be done with a film that has been copyrighted by an entire collective

Activist Archivists HMD next year:

Judson Church?

Contact Katie Traynor [mentioned event to Katie on Saturday at WDAVH, she is fine as long as it's a different day and not film centric]
